

**OFFICE SUPPORT  
FLUIDIZED GEL CUSHION**

MODEL # OS2435

The SKWOOSH™ OFFICE SUPPORT cushion with TekPad® fluidized gel and AIR-FLO breathable fabric is perfect wherever prolonged sitting triggers back and leg discomfort.

The office cushion's TekPad® fluidized gel works to reduce pressure on the spine and to provide relief where it is needed most - under the weight bearing "sitz" bones. The posture enhancing design helps to maintain proper posture while seated. It has a cool, breathable fabric top and a non-skid bottom to keep it in place while in use. The OFFICE COMFORT cushion fits all office chairs from executive size and shape to working steno models.

There is no better help for lower back discomfort, enhanced posture, improved circulation and pressure relief than the SKWOOSH™ OFFICE SUPPORT cushion.

SKWOOSH™ is made in the USA and is guaranteed for workmanship and performance.

**Dimensions**

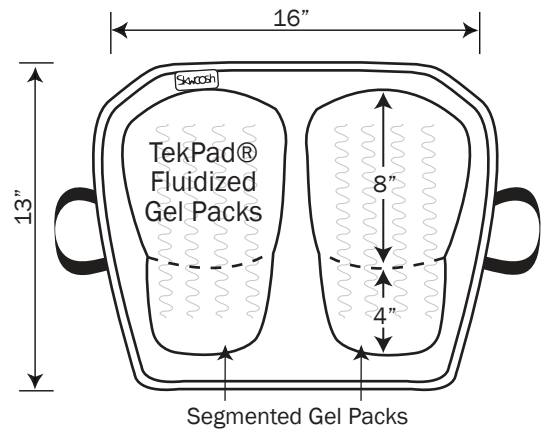

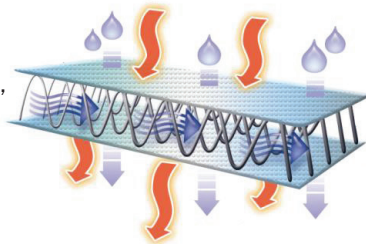

- Weight: 15 oz.
- Open dimensions: 16"W x 13"L x 1"H
- Folded dimensions: 8"W x 13"L x 2"H

**How to use your SKWOOSH™**

- Position in the center of your seat
- Adjust it forward and back so the gel packs are under your "sitz" bones
- Skwoosh around so the TekPad® gel gets used to your body shape
- Don't forget to empty your back pockets

**AIR-FLO Breathable Fabric**

This fabric has a unique three-dimensional, internal structure that allows it to breathe and control moisture. It's durable, lightweight and washable
