

Faculty Disclosures

Unapproved Uses of Drugs/Devices: In accordance with requirements of the FDA, the audience is advised that information presented in this continuing medical education activity may contain references to unlabeled or unapproved uses of drugs or devices. Please refer to the FDA approved package insert for each drug/device for full prescribing/utilization information.

It is the policy of the Rush University Office of Interprofessional Continuing Education to ensure that its CE activities are independent, free of commercial bias and beyond the control of persons or organizations with an economic interest in influencing the content of CE. Everyone who is in a position to control the content of an educational activity must disclose all relevant financial relationships with any commercial interest (including but not limited to pharmaceutical companies, biomedical device manufacturers, or other corporations whose products or services are related to the subject matter of the presentation topic) within the preceding 12 months.
